- No experience is required to become a tutor, and it is not necessary to speak another language.
- The typical time commitment to be a tutor is 1 to 2 contact hours per week.
- Tutors meet with their learners in a public place, such as the Ruth Culver Community Library in Prairie du Sac or the George Culver Community Library in Sauk City.
- We provide continuous support for our tutors and require that all first time tutors complete tutor training.

INTERESTED?

To become a tutor, please fill out the Tutor Application inside of this brochure and return it in person or by mail to the Ruth Culver Community Library in Prairie du Sac. Additional forms are available on our website. Once your tutor application is received and you have completed tutor training, you will be matched with the next available learner who fits your stated preferences and schedule.
